Here are a list of some of the words from the story that begin with the letters Tt and Bb. Discuss the letter sound.

Extension: Walk around your home and find objects that start with each letter.

Dramatic Play or Music Activity Create a beach dramatic play area.

Waves in the Sea (song)

The waves in the sea go
up and down,
up and down, up and down.
The waves in the sea go
up and down, all day long.
The sharks in the sea go
snap, snap, snap...
The fish in the sea go
swish, swish, swish...
The boats in the sea go
toot, toot, toot
all day long.

Math Activity

Pack your cooler and beach bag for your beach day.

Sort what items should go in the cooler and what items should go in the beach bag. Count each item as you place it in the cooler or bag. Which has the most?

Extension: Sound out and identify the first letter of each item.

Take these with you to your beach dramatic play area.

Science Activity Sink or Float

Fill a bucket or sink with water. Find items in/around your home to use for this experiment. Before placing the objects in the water predict whether you think they will sink or float and why.
