

# Beehive

Here is a beehive,  
Where are the bees?  
Hidden inside,  
Where nobody sees.  
Here they come  
Creeping out of their hive  
1, 2, 3, 4, 5  
Buzzz! Buzzz!

(Start with fingers clenched in fist, bring them  
out one by one as you count)

Works great with a glove puppet of bees!
