

Sneezy the Snowman by Maureen Wright

For more information, visit us at www.earlyliteracymatters.com!

Literacy Activity Snowball Names

With your child, write out each letter of their name on a blank sheet of paper. Have your child crumple the pages to make "snowballs." Have an indoor snowball fight. When collecting the snowballs, have your child open them up to build their name or names of family members. You can even make baskets with your indoor snowballs!

Dramatic Play or Music Activity "Snowy Snowman"

I am a snowman made of snow. (stand still)
I stand quite still at ten below.
With a big, long carrot for a nose, (point to nose)
And worn-out shoes to make my toes.
(point to toes)
I have two apples for my eyes, (point to eyes)
And a woolen coat about this size.
(measure with hands)
I have a scarf that's warm and red.
(point to neck)
And a funny hat upon my head.
(tap hands on head)
The sun is coming out..... Oh dear!
(Look worried)
The sun is melting me I fear. (slowly sink to floor)
Oh my, I was so nice and round,
Now I'm just a puddle on the ground!
(sit or lay on floor)

Math Activity Snowball Fill-Up Game

Take turns rolling a number cube and adding the correct number of cotton balls, "snowballs" to your cup. Use tongs to add build hand strength. First to the top wins!

Science Activity Ice Melt Experiment

Ice Melt Experiment

Which melts faster? Plain ice or ice sprinkled with salt?
