**Literacy Activity**

Summer Item Scavenger Hunt

Find these items outside and inside from the book [Summer is Here!](#)

1. Dandelion
2. Fruit
3. Frog
4. Swim suit
5. Sun hat
6. Sleeping bag

Extension: Have your child make labels for the items and label what you have in/around your home.

**Dramatic Play or Music Activity**

I'm the Summer Sun  
To the tune of: I'm a Little Tea Pot

**I'm the summer sun**  
(hold arms in circle overhead)  
**I'm bright and hot**  
(nod head)

**During the day, I shine a lot.**  
(turn from side to side)

**If you find a tree to give you shade,**  
(float arms down)

**You'll keep away from my hot rays.**  
(point)

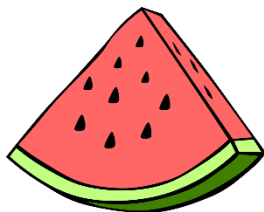

**Math Activity**

Watermelon Math

[Summer is Here!](#) talks about watermelons as a sweet summer treat!

1. Give your child a piece of cut watermelon.
2. Have them count and remove the seeds.
3. For an extension, you can try adding and subtracting using the seeds.

**Science Activity**

Making Lemonade

Materials:

- Pitcher/large bowl
- 6 cups of water
- 5-8 lemons
- 1 ½ cups of sugar

1. Add water to pitcher or large bowl
2. Cut and squeeze 5-8 lemons into the pitcher or large bowl
3. Add 1 ½ cups of sugar
4. Stir until mixed well
