## Dramatic Play or Music Activity

### Cardboard Box Barn

Your child can build their own barn using simple items you have in your home. All you need is a cardboard box and some decorating tools!

What you will need:

A cardboard box and markers, crayons or pens

Give your child these items and let them create their very own barn from home. If they have stuffed animals they can use them as props to play in their new barn!

## Math Activity

### 2 legs or 4?

Let's make a chart. Which animals have 2 legs and which ones have 4 legs?

2 legs  
duck  
chicken  
goose

4 legs  
dog  
cow  
horse  
cat  
cow

## Science Activity

### Farm Animal Guessing Game

#### Who Am I?

Read the clues to your child and ask them to find the farm animal that matches the best.

I have 4 legs. I have pink skin. I have a small curly tail. I say, "Oink. Oink." Who am I?	I have 2 legs. I have wings. I have bright feathers. I say, "Cock-a-doodle-do." Who am I?	I have 4 legs. My fur is called a fleece. My fleece can be white. I say, "Baaaaa." Who am I?
I have 4 legs. I am one of the tallest animals on the farm. I say, "Neigh." Who am I?	I have 4 legs. I can run very fast. I help the farmer herd sheep. I say, "Woof." Who am I?	I have 4 legs. I am black and white. I eat grass and hay. I say, "Mooo." Who am I?
 Horse	 Rooster	 Pig
 Dog	 Sheep	 Cow
